PIZZA ANY PLACE

PIZZA ANY PLACE is the first pizzeria itinerant independent and thanks to the rechargeable battery does not require use of tables for preparation or service.
It is all set up internally!
Can be powered by muted generator or directly connected to the mains.

THE OVEN

The oven APE ELITE is delivered in one piece. The dome is positioned outside the cooking surface. Thanks to its lightweight concrete and stone cordierite surface the Ape Piaggio is regulated with the legal weight load. The cooking surface up to 4 pizzas 32cm (12 "). It is powered by a special gas burner by consuming the least amount of energy all over the world.
